SUMMARY

Full Stack Web Developer with a prominent background in problem solving and tech. As a full time Fiber Optics Technician for nearing 5 years I have developed a keen attention to detail when it comes to problem solving skills. Earning a certificate in Full Stack Web Development from the University Of North Carolina at Charlotte Coding Boot Camp; only amplified these skills. Known among coworkers to be super hard working, relentless, and executing every task to the best of my abilities.

TECHNICAL SKILLS

Html, Css, JavaScript, Node.js, Express.js, SQL, ORM, MVC, NoSQL, and React.

EXPERIENCE

Fiber Optics Technician

2019-Present

TnT Optical Communications

Kings Mountain, NC

As a field technician I worked day-in and day-out with various forms of fiber optics ranging from: Commercial Accounts, Residential Accounts, and Documentation. Learning skills ranging from: Problem Solving, Critical Thinking, and Leadership.

Key Accomplishments:

- *Promoted to a supervisory tech and trained fellow coworkers.*
- *Assigned to work spares and troubleshoot directly from Hub sites (Spectrum)*
- *Successfully worked with a team of four splicers to successfully fix a total of 732 splices during an outage.*
- *Worked with various other contracting companies to resolve issues.*

Line Cook

2020-2020

Dairy Queen

Shelby, NC

As a Line Cook I worked directly with customers on a day-to-day basis and prepared food quickly and efficiently for those customers.

Key Accomplishments:

- *Worked directly with customers and learned about the customer service industry.*

LifeGuard

2017-2018

Club Woodbridge

Kings Mountain, NC

As a LifeGuard I was tasked with watching over club members as they were swimming and congregating around the pool. During this stint I learned many skills like: Risk Management, Critical Thinking and LifeSaving Techniques. Under this job I had a great deal of responsibility as pool goers where trusting me with keeping them safe.

Key Accomplishments:

- *Learned LifeSaving Techniques*
- *Worked without the supervision of a superior*
- *Maintained and kept the pool water clean, and surrounding areas*
- *Made and kept many friendships with club members.*

EDUCATION

Full Stack Web Development Boot Camp Certificate: University of North Carolina at Charlotte, Charlotte, NC

Certificate of Criminal Justice: Cleveland Community College, Shelby, NC
